ON STAFF

Liz Bean is your arborist representative! She is a reliable, trustworthy, and dedicated arborist with a passion for trees, insects, and soil. She has been with Monster Tree Service of Rochester since 2020.

Prior to becoming an arborist with Monster Tree Service, Liz worked on our tree crew as well as spent time as a Plant Health Care Technician. She discovered her passion for arboriculture while studying Environmental Science and Ecology at SUNY Brockport, a degree that has helped her become a successful arborist with a scientific approach. Her dedication to continued learning has helped our team develop our Plant Health Care Program.

While not talking about trees, insects, and the type of soil on your property, Liz enjoys racing in triathlons, hiking with her dogs, and hunting with her dad and brothers.

Liz is excited to help you with all your arborist needs!

MOTHER NATURE PERFECTS IT, WE PROTECT IT.
